Vaccinations

Congratulations to our many parishioners who have now received at least the first of their vaccinations. But for the sake of those who have not, please bear in mind that you might still contract the virus (although not dangerously) and therefore pass it on to others who have not yet been vaccinated. Medical and government opinion is firm on this point.

So please continue to wear your masks in Church, sanitise your hands as requested and maintain social distancing.

SACRED HEART PARISH
WEDNESDAY IS THE FEAST OF ST. BLAISE.

The Blessing of the Throats will take place at the end of Mass. Due to the pandemic there will be one common blessing, not each individually.

PLEASE PRAY FOR

Beth Merrett who has died.
Her Funeral Mass is at Sacred Heart on Thursday, 18th February at 10.00am.

Her daughter Angela tells us she is expecting about 20 family and friends, so there should be room for some parishioners. If you would like to come to Beth's funeral, please let Father Cousins know.

TUESDAY IS CANDLEMAS.

With the restrictions of Lockdown we have used few candles. The new ones will be blessed during the Mass. But since there is no singing there will be no Procession - a Procession without singing does not make sense.

During the week the Diocese advised us the Coronavirus Places of Worship Task Force ask each Place of Worship to re-evaluate whether they are following the rules. They numerate seven requirements to ensure Covid security.

I should like to bring to your attention one of these requirements:

"Those who have gathered for worship should not mingle before or after the service outside of the church.
