PARISH NOTICE BOARD

My Dear Brothers and Sisters,

I hope that you and your families are all keeping well and staying safe during these difficult times.

By now I am praying that most of you will have received the vaccine and that you will feel a little more secure in your everyday life whilst still keeping safe.

As we know, life has been very hard for many, many, people. Those who work in our hospitals, teachers, frontline workers, who keep our lives ticking over every day. They put their lives at risk for all of us on a daily basis. Not forgetting our parents who are home schooling. Hopefully my dear Brothers and Sisters – and we must keep our hopes alive – there is a ‘chink’ of light at the end of the tunnel with more of us being vaccinated every day.

Our Parish community is very important to me not just during this pandemic but always. I pray for you all every day that soon we shall be reunited in church at Mass celebrating a better future for us all. I thank you all for your support. I very much enjoy hearing from you. Your emails telephone calls and letters some of which are very funny and most uplifting. Keep your news coming please.

I miss seeing you and your families at church - I am like a shepherd without a flock. And I ask you to pray for me, our fellow priests, deacons and each other.

Many of you are working very hard within the parish distributing to the needy and the poor via the SVP and those of you who make a contribution to our parish in so many ways. Thank you.

I am very pleased that we are fortunate and able to celebrate Mass online and I hope it brings you comfort and helps you to feel closer to your parish and our community.

Last Thursday was the feast of Our Lady of Lourdes, the Mother of Our Lord Jesus Christ. She knew only too well what suffering was. I feel sure my Brothers and Sisters she understands our suffering. Pray to her, go to her and rest in her loving arms the Mother of our Saviour Jesus Christ.

God Bless you all and I look forward to seeing more of you very soon. Until then stay safe and keep well. Father Michael
