PARISH NOTICE BOARD

HOLY TRINITY Update on Lightning Strike This is obviously the subject of an insurance claim for which we are covered. Professionals are handling all aspects of the damage.

Church Lighting – Unfortunately there is still no light in the porch area and further parts are awaited.

Church Sound – Better news here. The replacement (and better!) units have been fitted and some of the unreliable elements from the past have been eliminated. Many thanks to Stuart Hawkins, our expert.

Live Streaming – as previously reported a new (and upgraded) camera has been fitted and wired in the sound from the church system. So no 'hiss' and other extraneous noises from our broadcasts.

COVID 19—Please be very vigilant: maintain the wearing of masks, hand sanitising & social distancing. We here at HT will continue to wear masks in church & keep our social distancing as it is for the time being. We shall review the situation during the half term break in October. Thanks for your continued support.
